CI/CD & Automation Specialist

O.S.S. are seeking an experienced CI/CD & Automation Specialist to join our team of highly skilled technical consultants in Auckland. This is a full-time, permanent position in the O.S.S. Auckland office.

You will be required to work closely with our clients and sales staff to develop, implement, deliver and manage Enterprise Infrastructure Solutions. You must have the ability to work autonomously, while demonstrating professionalism, excellent communication skills and the ability to work effectively as a member of the O.S.S. team, and of our clients' teams. When dealing with O.S.S. clients, you will need to be a good listener, be easy to do business with, keep commitments, and do it right first time.

This position will involve a focus on being agile and meeting project delivery schedules with an emphasis on continuous improvement to always ensure the delivery of smooth-running IT systems for our clients' business.

Desired Skills and Experience

We are looking for someone who is passionate about automation, infrastructure as code, and everything as a service:

- AWS, Azure, VMware, OpenStack
- SDN
- RHEL/Linux, Windows Server
- Puppet, Ansible, Terraform, Foreman, Jenkins, Red Hat Satellite, SCCM
- Containers, Kubernetes, Microservices, OpenShift
- Nagios, CloudWatch, Grafana, SCOM
- Git, GitHub, Bitbucket, SVN
- Python, PowerShell, Perl, Ruby
- Agile methodology and Scrum framework

About O.S.S.

We've been helping organisations to deliver the most out of information technology since 1995 and in this time have developed a reputation for innovation, quality and a no-nonsense approach to getting things done.

We are 100% New Zealand owned and our client base includes some of New Zealand's best-known and most innovative organisations spanning a variety of sectors.

We've worked hard to develop relationships with all of the key technology vendors, however our responsibility is to our clients, and we will always recommend the best solution for the clients' needs.

Our experience is based upon real world knowledge developed from a range of technologies while working with clients around the globe.

To Apply

Applicants must have the legal right to work in New Zealand and be available to interview in New Zealand. While all applicants will be reviewed, only shortlisted applicants will be contacted.

Email your contact details and a copy of your C.V. to Mark Finlay, Delivery Team Manager – **careers@oss.co.nz**
